SELECTING A CRUISE: Form A: Participant's Application (continued)

The research projects undertaken by each NOAA vessel are available on the Internet at <http://www.tas.noaa.gov>. Please check the web site for cruise options. Due to homeland security, the ship schedules are no longer available to the public; therefore you cannot select a cruise specifically. By filling in the following parameters, you will be matched with a cruise that best fits your interests. Since placement is based upon ships' bunk space availability, the more flexible you are, the more likely you will be placed. If you are flexible, respond to the question with "N/A," however, you must list the exact dates of your availability.

A) Please list below **ALL** the dates that you would be available to participate on a cruise. Available Dates:

B) Nature of the research conducted that you are most interested in:

C) Do you have a preference as to where the ship operates? Keep in mind that you are responsible for transportation to and from the ship. Preferred Ports/Area:

D) How long are you comfortable being away at sea? Some cruises last over a month. Preferred length of cruise:

For summer cruises, completed application packets must be postmarked by March 1. For September thru May cruises, the postmark must be at least 3 months prior to the desired sailing date.

Send completed applications to: NOAA Teacher at Sea Program, Pacific Marine Center, 1801 Fairview Ave. E., Seattle, WA 98102. Include Form A with the attached sheet, and Forms B and C in their sealed envelopes. Please note that you cannot be selected for the program until your medical history form has been approved by the NOAA Medical Officer.

Placements will be made approximately two months prior to the sailing date.
